

Knowledge Base Contributor

First Steps

- As a contributor to the UCLA Knowledgebase, first you need to login.
- Then go to <https://kb.ucla.edu/link/240> and edit it to add yourself. Or if you are shy, add just your sources in the top half of the page.
- Search your department and make sure those articles are correct.
- Search things you know about and make sure those articles are correct.

Revision #5
