

Where can I find out more about this knowledgebase?

This UCLA Knowledgebase is being planned and built as an experiment first in cooperation between various help desks on campus, and then later as a resource for the entire campus. Here are some introductory questions and answers.

- [What is the purpose of this Knowledgebase?](#)
- [Finding things in this Knowledgebase](#)
- [Partial search terms don't work without wildcard](#)
- [What should be posted?](#)
- [Who can post?](#)
- [How do I post a new article in Knowledgebase?](#)
- [What to do about duplicate articles](#)
- [Etiquette](#)
- [Contributor First Steps](#)
- [Reporting bugs or feature requests](#)
- [How will we measure success?](#)
- [Knowledgebase Timeframe](#)
- [How do I format my submission?](#)
- [How the Knowledgebase searches](#)
- [What to do if kb.ucla.edu search isn't working](#)
- [How to delete an article](#)
- [How to delete an attachment](#)

For more information see the [Knowledgebase Project Page](#)

Revision #22
