- [Collaboration software short summary and links](#) – *taken from [UCSC Mailing List](#) by Harry Mangalam, UCI* – “I requested and received a lot of input about ‘collaboration software’, a term that covers a lot of area. It’s a bit late, but I wrote up a summary of links I found along the way, what people wrote in to say, and a bit of my own experiences. This has been gathered together in a bulletin board post. Please feel free to expand, comment or correct.”
