## CCLE Shared System (Moodle) Status

[ccle.ucla.edu](http://ccle.ucla.edu)

Welcome to the [CCLE Shared Systems](#) Status page maintained by members of the CCLE Support team. The information provided here is designed to keep CCLE users informed about new and ongoing issues including upgrades, outages and related issues that affect the delivery of CCLE services. If you're experiencing a problem that's not described below, use CCLE's [Request Help](#) feature located in the top right of the CCLE main page and within all course web sites.

PLEASE NOTE: Scheduled system maintenance windows are Tuesdays 6:00-8:00 AM and Sundays 9:00-11:00 AM. Routine maintenance may be performed during these times, and the system may be unavailable.

### UNPLANNED OUTAGES

**Date/Time:**

**Issue: Resolution Date/Time:**

---

### KNOWN ISSUES & UPDATES

**Date/Time:** 02/02/09

**Issue:** The restoration/back-up of large sites may interrupt the server and impact the delivery of CCLE services; therefore, it is recommended to backup/restore only sites smaller than 100MB during the peak hours (9am-9pm).

**Estimated Resolution Date/Time:** n/a
