

CACLE (Moodle) Status Page

CACLE Shared System (Moodle) Status

ccle.ucla.edu

Welcome to the [CCLE Shared Systems](#) Status page maintained by members of the CACLE Support team. The information provided here is designed to keep CACLE users informed about new and ongoing issues including upgrades, outages and related issues that affect the delivery of CACLE services. If you're experiencing a problem that's not described below, use CACLE's [Request Help](#) feature located in the top right of the CACLE main page and within all course web sites.

PLEASE NOTE: Scheduled system maintenance windows are Tuesdays 6:00-8:00 AM and Sundays 9:00-11:00 AM. Routine maintenance may be performed during these times, and the system may be unavailable.

UNPLANNED OUTAGES

Date/Time:

Issue: Resolution Date/Time:

KNOWN ISSUES & UPDATES

Date/Time: 02/02/09

Issue: The restoration/back-up of large sites may interrupt the server and impact the delivery of CACLE services; therefore, it is recommended to backup/restore only sites smaller than 100MB during the peak hours (9am-9pm).

Estimated Resolution Date/Time: n/a

Revision #27
