

Direct IP Printing from Windows

This document provides a step-by-step set of instructions on how to add a printer to Microsoft Windows 10 using direct IP Printing.

Click the Windows Start button.

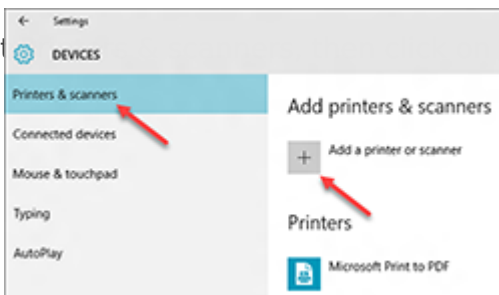

Select Settings.

Select Devices.
Bluetooth, printers, mouse

Select Printers & scanners. Click the + button to Add a printer or scanner.

Select The printer that I want isn't listed.

Printers & scanners

Add printers & scanners

Searching for printers and scanners

The printer that I want isn't listed

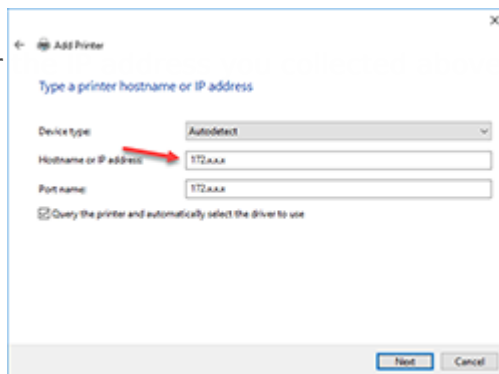

Select **Find a printer by other options** to enter the printer's IP address or hostname.

- ☐ My printer is a little older. Help me find it.
- ☐ Select a shared printer by name

Example: \\computername\printername or
http://computername/printers/printername/printer
- ☒ Add a printer using a TCP/IP address or hostname
- ☐ Add a Bluetooth, wireless or network discoverable printer
- ☐ Add a local printer or network printer with manual settings

Enter the printer's IP address in the *Hostname or IP Address* field.

Windows should find the printer if the printer is on and configured correctly. You may have to specify more information. If prompted, Select the type of network adapter installed in the printer in the "Device Type" drop-down list. You can also click "Custom" to specify custom settings for the network printer. Select "Next". Windows will now walk you through installing the drivers for the printer.

When you get to this screen, type a name for the printer.

← Add Printer

Type a printer name

Printer name:

This printer will be installed with the Canon iC-ADV C5030/C5035 Class Driver driver.

Next Cancel

Do not

← Add Printer

Printer Sharing

If you want to share this printer, you must provide a share name. You can use the suggested name or type a new one. The share name will be visible to other network users.

☒ Do not share this printer

☐ Share this printer so that others on your network can find and use it

Share name:

Location:

Comment:

Next Cancel

Click the 'Finish' button to complete the setup.

← Add Printer

You've successfully added HP Laserjet M533x

To check if your printer is working properly, or to see troubleshooting information for the printer, print a test page.

Finish Cancel
