

# Web Developer and Designer Resources

## Links

- [UCLA Campus Web Publishers Group](#)
- [4096 Color Wheel](#) – *Pretty useful tool to find web-safe/web-smart colors*
- [Standalone versions of IE](#) – This website provides downloads and tutorials on how to install different versions of IE on your computer. Very useful for testing your website across multiple browsers.
- [University Web Developers Mailing List and FAQs](#) – *this often has very relevant queries for web admins at universities and colleges. It's a good place to get a quick survey of how different places do things.*
- [Web Design Cheat Sheets](#) – *A list of most often used commands for programs and languages that web developers use most often.*
- [Yahoo! Design Pattern Library](#) – *Yahoo!'s thinking on common interface design issues for traditional and rich Internet applications.*
- [Yahoo! User Interface Library](#) – *The Yahoo! User Interface Library is a set of utilities and controls, written in JavaScript, for building richly interactive web applications using techniques such as DOM scripting, HTML and AJAX.*
- [UI Patterns Library](#) -*Another UI Design Pattern Library*
- [Patternry](#) -*UI Design Pattern Library and Tool for collecting patterns for projects shared with team*
- [Pattern Tap](#) -*A Popular UI Design Pattern Library submitted by web/ui professionals. Unlike most sites that just have screenshots of websites, Pattern Tap has separate galleries that focus on just website footers, signup pages, sub-navigation, form buttons, tabs, thumbnails, slideshows, and more.*
- [Getting Creative With Transparency in Web Design](#)
- [Designing Web Interfaces – Principles and Practices for Rich Interaction](#)
- [Designing Social Interfaces Presentation](#) – *Addresses designing for social networks*
- [Smashing Magazine article on Type Best Practice](#) -*Best practice for web professionals on the topic of typography*
- [Toolbox.cc](#) – *A collection of tools and widgets*

## Useful Tools/Plugins

- <http://lorempixum.com/> – free placeholder images, any size
- FireFox – Please see [Firefox Add-Ons for Web Developers](#)
- [Mozilla Firefox for Rapid Web Development and Testing](#)
- IE 7 – [Web Developer Toolbar](#)
