

# web scraping tools

[Web scraping tools, services, and plugins: a comprehensive list](#)

[Ruby project called Upton](#) – haven't tried it yet but it's from the [Tumblr blog Onethingwell](#) whose picks tend to be OK.

[10 Web Scraping Tools to Extract Online Data](#) – *added April 2016. Includes use case examples.*

[To Scrape or Not to Scrape: Technical and Ethical Challenges of Collecting Data off the Web](#) – *April 4, 2016*
