What is Identity 2.0 and as a web developer, why do I care?

I'm not really sure what Identity 2.0 is but here are some very interesting slide show talks about it, and it looks to be solving some very interesting web security problems.

- OSCON 2005 Keynote – Identity 2.0 – Dick Hardt – Founder & CEO, Sxip Identity
- Who is the dick on your site?
- http://identity20.com/
- Identity 2.0 article by Kate Greene
