Evening Escorts

If you are on campus by yourself between dusk and 1 a.m., please note this free program sponsored by the UC Police Department. If you call (310) 794-WALK about 15 minutes before you leave, a Community Service Officer will come to your location and will escort you to your destination. They can escort you anywhere between Wilshire and Sunset, and Veteran and Hilgard.

The link, with further information, is below. But from any campus phone, you can simply dial 4-WALK.
