

Looking for a student programmer?

Hundreds of UCLA students access [BruinView™](#) daily, seeking part-time positions and internship opportunities. As a UCLA department, you can list employment opportunities for free. By posting jobs through [UCLA Career Center's BruinView™](#) system you can help finance a student's college education, add spending money to their budget, and give their resume a boost with valuable on-the-job experience. Participation in the free web-based [BruinView™](#) system is easy and convenient.

Revision #2
