## Q: What is the difference between [giveto.ucla.edu](http://giveto.ucla.edu) and [giving.ucla.edu](http://giving.ucla.edu)?

A: GiveTo.ucla.edu is a marketing site for funds that support an area, department, program, or center at UCLA. Don't see your fund there and you think it is eligible? Contact Joanna Sutton at UCLA Development for more information.

[giving.ucla.edu](http://giving.ucla.edu) hosts online giving pages for all funds that are processed by UCLA via UCLA Foundation. That is managed by Nick Todd inside UCLA External Affairs | Advancement Services.
