

Equipment for loan on campus - cameras, etc.

Here are some places where faculty and/or staff and/or students can borrow equipment for coursework, teaching and/or research. Please update this with any new offerings that come along!

Laptops and tablets

- CLICC. Loaner laptops and iPads are available for loan from CLICC. For laptops, see <http://www.library.ucla.edu/clicc/laptops-more> for more information. For iPads, go to <http://www.library.ucla.edu/locations>, select "Equipment" under Locations, then click "iPad Lending". Available to anyone with a valid BruinCard.

Cameras

- Video kits are available for loan from CLICC for anyone with a valid BruinCard. The video kits are charged through your library account – just like the laptop, books, and iPads. At this time, video kits are checked out for a period of two business days. There are currently two (2) GoPro kits available, as well as two (2) iPad video kits. Each kit contains a myriad of accessories designed for video production, and you can additionally check out other accessories like a tripod if needed.
