

Need access to OASIS?

The Mac and Windows software required to access OASIS is available here:

<https://www.it.ucla.edu/support-training/supported-software/hostexplorer-stunnel-mochasoft-brown>

On Windows, HostExplorer is typically used. Updated Mocha can be used instead of HostExplorer. All three tools are available at the IT Services link above.

On Mac, TN3270 Brown is available.

Revision #5
