

UC Ready

UC Ready is a UC-wide Business Continuity Planning (BCP) tool. Originally created at Berkeley, the software is now being adopted by all UC campuses.

- **UCLA BCP** – <https://www.irm.ucla.edu/uc-ready>
(UC Ready Flyer)
- Campus business continuity guidance available here: <https://ucla.box.com/v/irm-ucready-supporting-docs>
-Includes business continuity samples, business continuity fundamentals and terminology, and other materials to help you to create your plans.
- **UCLA Health Sciences BCP** – <http://disaster.mednet.ucla.edu/>
- **UCOP Enterprise Risk Management, UC Ready** – <http://www.ucop.edu/risk-services/crisis-management/uc-ready.html>
