Where can I find a scanner on campus to scan large documents?

The Library’s Interlibrary Loan (ILL) have scanners that can scan large documents such as newspapers.

Another large scanner is located in the Music Library Special Collections (B425 Schoenberg).

The Arts Library at 1400 Public Affairs Building (just east of Bunche Hall) also has a large scanner. You can see their facility on the ground level when you enter from the southwest entrance. They are opened Monday through Thursday from 8am to 8pm, and Friday 8am to 5pm.
