

Wireless access at Social Science Computing

SSC Wireless is available to all UCLA faculty, staff, and students with a valid UCLA Logon ID. To obtain a UCLA Logon ID, please visit <https://accounts.iam.ucla.edu>.

We have expanded our coverage to include Bunche Hall, Haines Hall, Public Policy Building (4th floor), and the Fowler Museum (A-level). With our collaboration with other campus labs, wireless access will also be available to you at a number of additional locations on campus.

To view a campus wireless map visit http://maps.ucla.edu/campus/?z=12&a_layers=flyr_wifi

You will need to use VPN software to log into the wireless system with your UCLA Logon ID. This software, along with installation instructions is available at:

<https://www.it.ucla.edu/bol/services/virtual-private-network-vpn-clients>.
