25 User Experience Videos That Are Worth Your Time

From *Smashing Magazine* at **25 User Experience Videos That Are Worth Your Time**:

> ❝ We're all mostly accustomed to educating ourselves by reading articles. Rare are the opportunities to attend conferences or watch live shows on subjects that we're interested in. That's why we are presenting here phenomenal videos and related resources on the topic of user experience (UX) by different presenters at different events. We have focused on current content but have included some older videos that are still relevant. It will take you more than 16 hours to watch all of these videos. So, make some popcorn, turn off the lights and enjoy.
