

# Anti-plagiarism Strategies

In addition to [Turnitin.com](#) (which UCLA has licensed) there are other strategies for addressing student plagiarism:

- [Prof Brown, of Leeds Metropolitan University... – BBC, 18 June 2006](#)

She outlines four basic strategies for tackling plagiarism:

- try to deter and punish
- make the penalties known and try to educate the students on the issue
- try to “design it out” – her preferred option – for example by setting assignments that required personal knowledge or keeping a diary or showing work in progress
- change the culture in which students are working – the hardest option

*If you can find any other articles or strategies, please add them here.*
