

Can you suggest some technical, on-line training?

Many staff members have taken courses through **SkillSets IT Online**:

<http://www.skillsetsonline.com/index.shtml>

Course vouchers can be purchased and are typically issued to allow access to a single Skill Set for a 2 week period. Vouchers can be purchased in bulk and then may be used for any two week period during the term of the purchased license (usually 12 - 18 months).

<http://www.trainingsignaltraining.com/free-video-training/>

Train Signal has some nice free training videos.

UCLA now has Lynda.com for free until April 2011. For more information, please visit the KB article on Lynda at <https://kb.ucla.edu/link/1334>.
