

Creating videos for flipped classes

One of the keys of a “flipped class” is to have the lectures online.

- [6 YouTube lessons for building better instructional videos](#)

Lynda.com has an expanding body of modules for flipped class environments—

- **Flipping the Classroom**, <http://www.lynda.com/Business-tutorials/Flipping-Classroom/144198-2.html>
- **Teacher Tips** series, <http://www.lynda.com/Business-Elearning-tutorials/Teacher-Tips/141465-2.html>
- Category of modules, <http://www.lynda.com/pursue-the-flipped-classroom>

Please add other links as you find them. Thanks
