

# cvs tools

For those who have to deal with cvs data files, here is a tool to do de-duplication

- <http://source.mozillaopennews.org/en-US/articles/introducing-cvsdedupe/>
- <https://github.com/datamade/csvdedupe>

Here are tools for working with cvs files.

<http://csvkit.readthedocs.org/en/latest/>

*Do you know of any others?*
