

Innovative Teaching Ideas

There are probably many other collections of innovating teaching ideas and examples. Please add them to this page as you come across them.

- [MERLOT ELIXR](#) is a collection of digital case stories about innovation in teaching.
 - <http://elixr.merlot.org/case-stories/course-preparation—design/transforming-course-design/increasing-student-success6> is just one example.
 - <http://elixr.merlot.org/case-stories/developing-instructional-expertise/teaching-assistant-training> is a category of stories
 - [Wikipedia in the Classroom: Tips for Effective Use](#)
