

What are some cost-efficient resources available for off-campus/online data storage?

Google Drive and Amazon Cloud both provide 5GB of free storage. Google Drive's pricing options ranges from 25GB – 16 TB costing \$2.49 – \$749.99 monthly (currently no yearly payment plan available). Amazon Cloud's pricing options ranges from 20GB – 1000GB (1 TB) costing \$10.00 – \$500.00 a year.

Another great option is Microsoft SkyDrive, which provides you with 7GB of free storage. Upgrades range from 20GB – 100GB costing \$10 – \$50 a year.
